Dear Barbara:

Subject: Provincially Significant Agricultural Areas as per the PPS for York Region

---

OMAF staff have identified provincially significant agricultural areas as per the PPS for the Towns of East Gwillimbury, Georgina, & Whitchurch-Stouffville, and for the Township of King. Maps identifying these areas are attached.

Provincially significant agricultural areas also lie within the City of Vaughan and the Town of Markham. These agricultural areas have not been verified as per the PPS. OMAF staff would be pleased to verify these provincially significant agricultural areas.

No provincially significant agricultural areas were identified within the Towns of Richmond Hill, Newmarket, and Aurora.

Should you have any questions or wish to discuss this matter further, please contact me at 613-475-4764.

Yours truly,

Ray Valaitis
Rural Planner
