Subject: For inclusion in the public record - Agenda Item 13.1.21, Council Meeting, Monday, May 28, 2018

I am unable to attend Council on Monday and ask that my email is added to the agenda as an addition.

As a Ward 2 resident, I am deeply concerned about the details of the Integrity Commissioner's report regarding Councillor Tom Muench. I fully support the motion of sanction from Committee of the Whole, Tuesday, May 22, 2018, but ask the following - I request Council give consideration to the recommendations and add:

g) That the event account belonging to Councillor Muench undergo a forensic audit and that the result of this audit be presented to Council and the public.

Thank you.

Brent Barkley
