To Whom it may concern:

Gentlemen,

We have received a letter from you stating that the Request for Approval, the Zoning By-Law Amendment Application for D02-17019 will be considered at the meeting on July3, 2018.

At the previous Town meeting ourselves along with our neighbours have explained our concerns about changing the existing one lot to 2 lots.

We still very strongly believe that 2 houses are way too much, too crowded, and do not fit, blend into our neighbourhood. One large house would

Blend in very nicely, and would fit the neighbourhood perfectly.

Please let us know if we'll have to represent the neighbourhood, and state our concerns again.

Yours truly,

Howard and Mari Levy
