PUBLIC NOTICE: REMOVAL OF PARKING RESTRICTION ON ROCKWELL ROAD

Please be advised that Town staff will be removing the "No Parking – 7:00 a.m. to 4:00 p.m., M-F" parking signs on Rockwell Road in the circled section on the map.

These parking restrictions were initially introduced in 2012 to address residents' concerns regarding construction-related parking activities in the area.

Now that the construction on Highway 7 is complete, Town staff will remove this parking restriction so that residents have the flexibility to park on Rockwell Road throughout the day. All general Town-wide parking by-laws will be applicable, including the maximum three-hour parking duration and overnight parking restrictions. For more information, visit RichmondHill.ca/Parking.

If you have any concerns or wish to provide feedback, please contact Ahsun Lee, Transportation Engineer at ahsun.lee@richmondhill.ca or 905-771-2515 by February 16, 2018.
