

The map displays a complex land use plan with several distinct zones and features:

- Roads:** "Bethesda Sideroad" runs horizontally across the top, and "Leslie Street" runs vertically along the right side.
- Land Use Zones:**
 - A large area on the left is filled with a pattern of small triangles.
 - A central area is filled with a cross-hatch pattern.
 - A rectangular area on the right is filled with a stippled (dotted) pattern.
 - A diagonal-hatched area is located in the upper right corner.
- Highlighted Area:** A specific rectangular area within the stippled zone is outlined with a thick red border.
- Other Features:** A circle containing the letter "P" is located in the lower right quadrant. Various boundary lines, some with tick marks, delineate the different zones and property lots.
