Subject: Muirhead Crescent Servicing - Submission to January 22 Budget Committee of the Whole

Att: Chair Joe DiPaola, and Members of the Budget Committee of the Whole

I am counsel to Haulover Investments Ltd. owner of 0 Muirhead Crescent (being lots 24 and 25, Plan 349). The property has frontage on Yonge Street and Muirhead Crescent.

At the December 11, 2018 Committee of the Whole, a deputation was made concerning the timing of servicing to Muirhead.

I understand from Staff that the design be slotted (scheduled) in 2020 and the construction 2021.

[Budget Committee of the Whole - January 22, 2019](#)

Budget Committee of the Whole - January 22, 2019

On behalf of Haulover, I would ask that Town Staff (1) engage with Haulover early on in the design process so as to ensure that the design can accommodate the future redevelopment of the Haulover lands and (2) advise how the project will be funded.

Notice to Haulover can be sent to Haulover@rogers.com along with a copy to myself.

Thank you.
