The Town of Richmond Hill’s 2019 Operating Budget:

Amortization and Future Tangible Capital Asset Funding Requirements
The budget does not include amortization expense of its tangible capital assets ($33.869 million – 2017). The 2019 Operating Budget does include reserve fund contributions of $18.064 million ($11.418 million related to Operating and $6.646 related to Water & Wastewater Budget) for capital asset replacement, and $2.347 million for new capital assets. The 2019 Capital Budget reports (SRCFS.19.002) highlighted potential financial impacts on future capital asset funding requirements. Council discussed reserve fund contribution increases, and staff have incorporated it into the current year’s budget.

Post-Employment Benefits
The budget does not include post-employment benefits related expenses ($13.772 million – 2017).

Accumulated Surplus
Including above expenses in the 2019 budget would decrease the Town’s accumulated surplus by $47.641 million.
