Lot 1 Plan 65M-2366

227 Harding Blvd.

Zoning By-Law 181-81

THE UNDERSIGNED oppose amending the above-noted zoning by-law.

Major MacKenzie and Harding is extremely busy intersection in Richmond Hill

Hospital, 5-storey Medical Building and high school on all three corners of intersection cause so many traffic jams and close calls with buses turning, students, pedestrians crossing left and right in all four direction is a safety hazard.

Adding townhouses to the corner would add to more congestion and hazards.
