good evening,

I am making a submission and wish to be notified of the passing or refusal of the proposed Zoning By-law Amendment and Draft Plan of Subdivision for the above-noted files.

Please note that we are in favour of the proposal and wish to express to The Town of Richmond Hill that they will consider the same type of rezoning or similar rezoning when it comes time for redevelopment along the south side of Harris Avenue.

thank you,

Claudia and Nat Albano
