Name of Project: Façade, Landscape and Signage Improvement Grant Application

NAI Project No.: 00293

Location: 10216 Yonge St, Richmond Hill, Ontario.

Hi Clement,

This letter is in support of our grant application and outlines the importance of our project to the Village Downtown Core.

In support of our efforts to revitalize the downtown core, while maintaining a picture-postcard village hub today, the new window replacement project, along the Yonge St corridor will encourage new businesses and other building owners to upgrade their buildings to invest in this stagnant and struggling downtown core.

Our project supports the town's strategy to revitalize the core. We will encourage window shopping as part of a pedestrian-friendly historic core to help the beleaguered business area, while playing a part in the town's secondary plan that calls for a walkable "main street character" unified with linking parks and plazas and a system of mews, courtyards and pedestrian areas behind the Yonge Street buildings.

Our proposal conforms to the Town of Richmond Hill Official Plan, in the form of a solution to address our community issues including cultural heritage.

We are hoping to commence construction by the end of February 2019.

In closing, if you have any enquiries, feel free to contact me at your convenience.

Sincerely,

Robert Cosentini
