Dear Mayor Dave Barrow and Members of Council,

I concur with the majority of Council to repeal DLCSP in order to revitalize for the whole benefit of Richmond Hill Residents.

Unfortunately, due to the short notice of tonight's council meeting, I couldn't change my schedule to attend personally.

Please keep doing the great job and I'm certain with your direction there will be significant and beneficial changes for the Downtown district and other Richmond hill key areas for the years to come.

I look forward to be in attendance in the next meeting.

Yours very truly,

Adam Seif, B.A., J. D.
