Subject: Member Motion - Single Use Plastics - May 28th, 2019

Dear Sir/Madame

Please consider this email as my letter of support for the captioned motion which will be tabled in the upcoming May 28th, 2019 Committee of the Whole meeting.

Each year as part of the Oak Ridges Community Clean Up, literally tons of single use plastic is collected by volunteers. It is not an exaggeration to call this a "crisis", as evidenced by the recent article in the Globe and Mail (see below).

I fully support the need for a study and a joint effort between the Town and the Region and any other interested stakeholders in reducing our dependency on single use plastics.
