I strongly oppose this motion!

COW May 28, 2019 Section 5.4.4(b) of Procedure By-law

I am a voter in Richmond Hill and this proposition is simply not acceptable to me.

I expect, and demand that my councilor take part in chairing, aka governing.

I know Ms.Cilevitz will do this as my councilor.

I do not authorize Councilors Perelli and Beros to represent me without the benefit of my own Councilor's input.

Regards,

John Miller
