To Whom It May Concern,

As the representative of Compassion 365, an organization that has served the York Region and abroad for over the last 35 years, I am confident that Councillor Karen Cilevitz will be able to run the music festival event this June as competently and effectively as all the others she has successfully hosted in the past recent years. We are in favour of the participation of the Beer Garden as they have proven to be a trustworthy partner and major supporter.

This is a little more about who we are as an organization...

Compassion 365 Foundation (formerly Five with D.R.I.V.E. Foundation) is a volunteer based organization, located in Markham Ontario. Determination, Respect, Initiative, Valor and Excellence is what describes the character and integrity of the Compassion 365 Foundation. The foundation is run whole heartedly on a volunteer basis that provides the core of making a difference in the lives of others. Founded in 2004, the Compassion 365 Foundation has supported many local causes and organized various fundraising events across York Region. We partner with our supporters in Canada and local organizations abroad to provide compassion and relief to anyone who needs it, regardless of religion, race, gender and socio-economical status.

If you have any questions or concerns please feel free to contact me.

Sincerely,
Anna Rossi
