Description of Work:
(Attach separate sheet, if necessary. Include drawings, sketches and or photographs if applicable)

Remove unsympathetic flush-mounted aluminum storm windows that are oxidized and discoloured. Some damaged and inoperable. Replace the 16 original windows with energy efficient single-hung sash windows in the same heritage style. Retro-fit replacement to maintain the original interior trim and exterior window frames. Exterior frames clad in aluminum.

Estimated Cost of Proposed Work (please attach at least two (2) verifiable quotes for work to be undertaken):

\$12,000

Amount of Grant Being Requested:

\$5,000

(Please note that only one grant per project per year is permitted under the Heritage Grant Program)

I certify that to the best of my knowledge the information provided in this application for a designated heritage property grant is accurate and complete.
