Subject: Climate Change Motion to be put forward on June 11, 2019

Good Morning,

As I am unable to attend the Council meeting scheduled for June 11, 2019 in person based on the time changes recently adopted. I am writing to you to have put on the record that as a resident of Richmond Hill, I would like to support the motion being put forward on Climate Change by Councillor West.

My understanding is that he is raising this motion in order that the City of Richmond Hill joins citizens and jurisdictions across Canada and the world declaring a climate change emergency, in recognition of the urgent need for climate action, and as a commitment to protect our community of Richmond Hill now and into the future.
