Subject: Motion to Reduce Single Use Plastics

As a citizen of Richmond Hill, I would like to voice my support for the motion to reduce single use plastics.

This is a huge problem that needs to be dealt with immediately for the good of all and for the future of our children.

I would like to see Richmond Hill become a leader in this regard by taking practical steps to reduce single use plastic. This cannot happen too soon. I ask all of the members of Richmond Hill Council vote to support this important motion.

Sincerely,

Anne Lacey
