360°kids is one of the charitable beneficiaries of Councillor Karen Cilevitz's Ward 5 BBQ taking place on June 7, 2019. I am aware that there will be a Beer Garden set up for the Event. The Beer Garden will be staffed with experienced personnel and will have adequate security in place to minimize risks. I am satisfied with the safety precautions in place and am supportive of the Beer Garden as part of the Event.

360°kids serves and supports thousands of young people each year throughout York Region, including our flagship site in Richmond Hill. These are young people who are homeless or are at-risk of homelessness. Our Programs focus on key areas of needs of the youth: Housing, Employment, Education and Health & Well-being. We believe that every young person deserves a safe place to call home and rely on donations from the community to help us in our work. Councillor Cilevitz's BBQ has provided financial supports to 360°kids for several years and we are grateful for the partnership. The addition of a competently staffed Beer Garden will provide additional funds which can be directed to our needed programs.

Should you have any questions, I would be pleased to discuss them with you. Thanks.
