Speed Bumps on Lourakis St.

DATE: April 12, 2019

ADDRESSED TO: Councillor Greg Beros (Ward 1)

City of Richmond Hill, 225 East Beaver Creek Rd, Richmond Hill, ON L4B 3P4

T 905 771 5506 | C 647 226 7846

WE THE UNDERSIGNED WOULD LIKE TO BRING YOUR ATTENTION TO THE FOLLOWING PROBLEM, WITH
RECOMMENDATION(S):

During all months of year, there are several vehicles that speed along Lourakis Street. One month ago, a 7 year old child was struck by an oncoming vehicle that was going 10 km over the speed limit. Should this vehicle have been travelling even faster (as many cars do), the injuries to the 7 year old would have been fatal, and devastating for many who witnessed the event. We need to make this street and surrounding neighbourhood, safe for all pedestrians.

*We the undersigned, feel that **speed bumps** would reduce the speed of traffic along Lourakis Street allowing for a safer neighbourhood to raise our children.*
