**Subject:** City's code of conduct

Mr. Mayor and councillors,

I am so upset to discover that councillor Cilevitz continues to deliberately breach the city's code of conduct. I know for a fact that this is not her first conviction. This type of repeat offending is not tolerable.

I am demanding that council immediately deal with her in the harshest manner possible and give her the maximum penalty possible.

Respectfully yours,

Sh Zareei

Richmondhill on
