Subject: regarding 142 Snively Street

Hi, there

I'm a resident of wolfson Crescent. I could not attend the Council Public Meeting today. I do not agree to build townhouses in this property. Do you have another meeting for the further information about the process and details of this property? If yes, please let me know. I also want to be notified of the passing or refusal of the proposed Zoning By-law Amendment.

Best regards,

Gu Xia
