**Subject:** Switch council meetings back to evening time

Richmond Hill City Council:

Having been a long time resident in Ward 2 Richmond Hill, I am concerned about the deterioration of how the council have been operating in the past year. In fighting within the council, mindless agreements with developers' proposals, potential conflict of interests, etc.

Lately there have been a change to move the council meetings, including the committee of the whole, from 7:30pm to 1pm. This appears to me as some form of discouragement for residents who need to work regular hours from voicing their issues in person. As this is not healthy for democracy, I would urge the council to switch the meetings back to evening time.

Thanks for your attention.
