Subject: Change to Council Meeting times

Members of Council,

I, Lester Chan have lived in ward 4 for 12 years. I am very concerned about the way Council operates, yet I cannot attend meetings because I work fulltime and meetings are held during the day. I would like to express myself personally at council or at least witness personally what is happening.

I am unhappy with the way Council works and the motions it passes without consulting the public.

I feel this council is NOT behaving in my best interest. Even though I have expressed my view via emails, I feel I am not listened to and would like to have opportunity to voice my view personally but I and my colleagues cannot attend the meeting because of the times set for the meetings during work hours.

Council Meeting times need to be changed so that residents can voice their point of view. I would like to see a change in meeting time back to evenings when I can have a chance to voice my opinions on issues and participate in the viewing of meetings personally.

Best regards,

Lester Chan
