Subject: Addition to the Agenda, Item 11.20, COW-Wed Dec 4, 2019

Please add this email to the agenda for Item 11.20.

I respectfully urge Council to schedule biweekly Council meetings each month commencing at 7:30 p.m and to reinstated biweekly Committee of the Whole meetings commencing at 4:30pm.

This meeting schedule has worked well for Councillors, staff and Richmond Hill residents for many years as it provides the City's residents with the dates and times of meetings to encourage their participation and involvement in the democratic process at the municipal level.
