Subject: Committee of the Whole Meetings

Hello,

I have appeared at COW meetings in the past and find them informative and helpful. The residents of Richmond Hill need this opportunity to engage with Council and Richmond Hill staff. We all care about our community and we need to exchange ideas and solutions.

Do not take away the right of Richmond Hill residents to participate in this democratic process. Keep the COW meetings and hold them when working residents can attend, 19:30 pm.

Sincerely,

Carol Davidson

Resident
