Subject: Time of Meetings

Dear Mr. Mayor:

1. I believe that Council of the Whole (COW) meeting are for informing residents and councillors and thus request that they be reinstated.
2. I also believe that council meetings should be at 7:30 P.M. in order to allow residents to make presentations if they work. I, myself have made several presentations over the years and would not have been able to do so were it not for the fact of evening meetings. These evening meetings allow residents to participate in local governance, and is a keystone of our democracy.

Yours sincerely,

Geoff Green

(35 year resident of Richmond Hill)
