Subject: The building at 186,188 Church st., richmond Hill

Hi,

I am the onwner of 189 Church st., richmond hill. I had a long vacation and just came back. I found the notice on 186 and 188 Church st., richmond hill.

There will be built a huge building at 186 and 188 Church st.,richmond hill. To change the official plan and zoning bylaw will seriously affect my house! It will change the value of my house , block the sun of my house , and change the privacy of my house!

We are strongly against the proposal to build the building!

If you you have any information , plan or meeting ,pls call me at xxx xxx-xxxx.

Thanks!
