To whom this may concern,

I am writing to express my opinion about having STR regulated in Richmond Hill .

I am strongly AGAINST STATUS QUO proposed.

As the town population grow these regulations are necessary to ensure the safety of our residents.

I moved to Richmond Hill for my kids to grow up in a safe neighborhood. On my street there are multiple houses that's listed on several different STR sites.

Due to the size of these houses often they are rented out for parties. We have on multiple occasions where police were called to deal with the noise and the crowds that gathered around on the street , not the mentioned the litter they left behind on the street all around the next day on the street.

I urge the town to do the right thing with the proposal and move forward to regulate STR.

Thank you for your attention.
