Subject: Stop the 41 Storey KDA Plan at Yong/Bernard!

To Whom it May Concern

In this new world of social distancing, 41+ storey/8000 unit developments like the one being proposed at Yonge and Canyon Hill/Bernard are a bad idea. Such developments risk not only the health and safety of the residents who live in them, but of the entire community. They are dangerous and irresponsible.

Thanks for your consideration.

Sincerely,

Dr. Paul Duhamel
