Subject: Stop the 41-Storey KDA Plan at Yonge/Bernard!

Dear Mayor and Councillors,

We just knew that, during tomorrow's meeting, you will vote to the Updated Secondary KDA Development plan which may increase the height limit of the building to **41 Storeys**. Please **think carefully and oppose to this ridiculous plan**. We, the residents, who voted you as the councillors will attend this meeting virtually and expect to see you make the correct decision representing the residents in Richmond Hill.

It **DOES NOT** make any sense of building 41-storey high building in this crowded intersection!

Here, I have to emphasize the vision of Richmond Hill to all of you.

Will passing this plan make everything work better in Richmond Hill?! NO!

Will passing this plan be a better choice to achieve vision for Richmond Hill?! NO!

Will passing this plan make a better place to live in Richmond Hill?! NO! (I live on Canyon Hill ave and I can tell how frustrated I am to move out my car from my driveway to road during rush hour!)

Will passing this plan make wise decisions for our next generation to live in Richmond Hill?! NO! NO! NO!

If you pass this plan, you will fail all of the goals in the vision of Richmond Hill! Don't do the WRONG thing!

The graphic is titled "OUR VISION" in a blue header. Below the header, it reads "Richmond Hill, where people come together to build our community." in green. There are four goals listed, each with a circular icon and a brief description:

- Goal One: Stronger Connections in Richmond Hill**
Icon: Three stylized figures holding hands in a circle.
Text: Connections make everything work; stronger connections make everything work better.
- Goal Two: Better Choice in Richmond Hill**
Icon: A stylized figure holding a magnifying glass.
Text: Better choice is not the same as more choice. Better choice means having better quality options to achieve our community vision for Richmond Hill.
- Goal Three: A More Vibrant Richmond Hill**
Icon: A stylized figure with arms raised in a circle.
Text: Some of the best places to live and do business are dynamic and diverse. They have a unique sense of place and identity. They are vibrant.
- Goal Four: Wise Management of Resources in Richmond Hill**
Icon: A stylized figure holding a recycling symbol.
Text: Wise management means making decisions about how we consider and use our resources in Richmond Hill for this generation and those to follow.

Please don't ruin our community! **Vote "NO" to this plan tomorrow!**

Thank you.
