Subject: Stop the 41 Storey KDA Plan at Yonge/Bernard!

To whom it may concern,

We are a family living at 25 Germani Court in Richmond Hill. It was a real shock to read the proposal of up to 41 storey building in this KDA area. The Major Mac hospital and Richmond Hill High School exceeded their normal capacity for years. Without dealing with existing issues for current residences, how can this community afford to take in this much density of new residences in the area? It is good to have properly commercial developments but to sacrifice and put surrounding residences in jeopardy is totally unfair and unreasonable. The city has to reconsider the plan and listen to public.
