Subject: Stop the 41 Storey KDA Plan at Yonge / Bernard!

To whom it may concern,

My name is Jinghao (Andrew) Wu and we lived at 5 Shaftsbury Ave, Richmond Hill, ON L4C9K6

When we first heard this proposal, it's such a nightmare to all the neighbors nearby in the affected area.

There are always few key factors impact the people's concern:

1. The tremendous density this projects put will make this residence area busier and traffic than anywhere nearby, make everyone in and out completely trouble and particular for the senior people.
2. With the more people into this area, I don't think the nearby education system can afford, which make us facing lots people into the school system and increase students number in each class and eventually make the education quality drop significantly.

Therefore we completely want to ask for STOP this project at Yonge / Bernard, how come Ontario government still have the lock-down request and ask everyone stay at home, but you guys are making and want to pass the project when everyone is staying at home, and not let everyone efficiently knowing this news?

Feel free to reach out us by email or phone at

Thanks,
Andrew
