Subject: Against high raising buildings in Yonge & Bernard

Hi,

My name is Shao Zhu, I'm living near Yonge & Bernard area. I'm against to build high raising buildings in Yonge & Bernard. There are many residents living in this area already; high raising buildings means moving too many people in this area: traffics, schools will be overwhelmed.

I'm strong against this proposal to construct high raising buildings in this area.

Regards,

Shao Zhu
