To whom it may concern,

I'm the resident of Westbrook. I live here around ten years. I strongly oppose to the plan of development in this area. The neighborhood has already been developed too much, more and more houses have been built and will be built. I'm a witness of this peaceful and beautiful community has being changed more and more crowded and not livable again.

I strongly against your development plan here. Stop it! Stop it! Stop it!
