Subject: Proposed Zoning By-law Amendment-170 Lucas Street

I am writing as a concerned resident in regards to the lands of Lot 23, Plan 2300, or 170 Lucas Street.

My concern for permitting this zoning by-law amendment is the increased density, noise and traffic that will result. The neighbourhood of Mill Pond is currently a quiet residential area and as a resident I wish for it to remain protected in this manner. I therefore oppose the amendment.

I kindly request that my personal information (name and address) be removed and not be made available to the public, as governed by the Municipal Freedom of Information and Protection of Privacy Act.

Please notify me of the outcome.

Thank you for the opportunity to voice my concerns.
