Good morning Simone

I am writing to you that the letter you send to us is misleading, and I would strongly suggest that an update information to mail to all party of interest before holding this meeting.

In your letter you mention quote “ The subject lands have a frontage of 42 metres (137.8feet) along Major Mackenzie Drive Wes”

I am the property owner of 52 Major Mackenzie West, I don't see how Yeda Major Mackenzie Inc can make the claim without my consent.

I believe this is a violation of my rights, I would consider this document issue by your department is wrong and misleading.

I strongly recommend you to resent the information and allow all parties concern including the neighbour hood affected to have enough time to process the new information before the meeting.

Particularly under the stress of Covic-19 crisis, the misleading information your office presented to us is the last thing I want to add on my shoulder.

Thanks in advance for your prompt attention to this matter.

Best regards

Alice Chik
