RE: Concerns regarding 12.4 [SRCS.20.13 - Lake Wilcox Park Pay Parking](#)

Dear Council,

I have some concerns regarding the proposed Park Pay Parking by Lake Wilcox. Parking regardless of which lot by Lake Wilcox should be the same price \$5. It does not make sense to have a permit for Richmond Hill Residences to bypass this fee and I do not agree with a street parking permit for our area.

Break down of each issue below:

- 1) Keep it simple 1 fee for each lot.
- 2) Concerns regarding a permit to bypass parking at Lake Wilcox. a) it is a pain to get a permit, b) remembering to bring it with you, c) easy to share a copy with a friend who lives outside of Richmond Hill – this is a bad idea
- 3) Permit to park in Kettle Lakes townhouse development. a) forcing people to pay for street parking is only going to encourage parking on the front lawn, b) there is not enough parking as it is, my friend comes over for the day and I need to get a permit, it just doesn't make sense.

Kindly take the above point's into consideration for your next council meeting.

Yours Truly
