Subject: May 27 meeting Submission

I support paid parking at Lake Wilcox Park. These revenue will help with the overrun on the silly and dangerous boardwalk installed. Also greater signage and enforcement on the road will be needed as the parking on the street. I am surprized nobody got hit my a car this week with the number of cars parked on North lake, the trespassers on the not open expanded parkette and the speeding that many use this east west joining street /n Yonge and Bayview.
