Subject: Lake Wilcox/ May 27 meeting

To Whom It May Concern:

I am a resident who resides at the corner of North Lake Rd and Bayview. Lake Wilcox has been extremely chaotic the last month or so. Carload after carload of people come to Lake Wilcox on the weekends and late afternoon during the week. Cars are parked everywhere illegally. Speeding cars do not slow down for pedestrians and this is a major issue every day.

Cars continue to speed and do not slow down near the intersection of North Lake Rd and Bayview when pedestrians are trying to cross the road. Someone is going to get hit. It continues to be a challenge to cross the street each weekend and late afternoons during the week. I am concerned for the pedestrians especially for the small children.

Please send someone out on the weekends and late afternoon to see how bad the problems are with the speeding cars coming off Bayview onto North Lake Rd right where pedestrians are trying to cross the road.
