Subject: SUPPORT OF AFC

As a very active senior in my community, I am writing to the city councilors to let them know that I strongly support the report,

(<https://pub-richmondhill.escribemeetings.com/filestream.ashx?DocumentId=33024>) to have our city be an Age Friendly Committee.

I would like to see the plan acted upon and there be an establishment of a Seniors Advisory Committee.

Sincerely,

Raj Sethi
