I am Richmond Hill Resident and I am opposing the condo high rise building at 0 Elgin Mills Road East (Bayview Ave & Elgin Mills). The north east portion of the property contains wetlands and a natural heritage system associated with a tributary of Rouge River will be affected by pollution due to an increase in traffic and high density population. The high density also increases the traffic in the area. It also increases crime in that area. Our women and children want to live in a fear free world. We have every right to live peacefully. We thank our Richmond Hill Mayor and Councillors to allow us to live peacefully. Now we fear that high-rise condo towers disturb the importance of maintaining peace around our community. I hope the Mayor and the Councillors understand our feelings to stop this high-rise condo building and prove Richmond Hill is one of the safest cities in Ontario.

Thank you,  
Yvonne Au
