I am a Richmond Hill resident and am opposed to the condo high rise building at 0 Elgin Mills Road East (Bayview and Elgin Mills). The north east portion of the property contains wetlands and a natural heritage system associated with a tributary of Rouge River. Also, increased traffic is always a concern.

At this time when social distancing is required, building high density units is ill advised...we should learn from cities who still struggling COVID-19. ... the future of Richmond Hill is in your hands ... would you want a loved one to live in a high density building?

Thank you
