Dear Mayor & Councilors,

I am a Richmond Hill Hindu Temple life member . I am opposed to the condo high rise building at 0 Elgin Mills road east (Bayview ave & Elgin mills). Our Temple Towers were architecturally designed in accordance with Hindu scripture & the spiritual significance of the Towers great height to the practicing the Hindu faith. The north east portion of the property contains wetlands and a natural heritage system associated with a tributary of Rough River will be affected by pollution due increase in traffic & high density population. The high density also increases the traffic in the area. It also increases crime in that area. Hindu women & children wear jewelry during the festival times to the Temple & that is our tradition. Richmond Hill Hindu Temple is the largest Temple in North America. We thank our Richmond Hill Mayor & Councilors to allow practicing our religion. Now we fear that high-rise condo towers disturb the importance of maintaining peace around the Temple. Most of the Hindus fear if the High-rise condo builds higher than our Temple Tower which is against our belief. We also fear our children & grandchildren not going to practice our religion in the same manner that we practice our religion. I hope the Mayor & the councilors understand our feelings to stop this high-rise condo building & prove Richmond Hill is one of the multicultural societies & allow us to practice the religion according to our belief.

Thank You
