Subject – 0 Elgin Mills Road East – City file D03-20003

I am Richmond Hill Resident & I am opposing to the condo high rise building at 0 Elgin Mills road east (Bayview ave & Elgin mills). The north east portion of the property contains wetlands and a natural heritage system associated with a tributary of Rough River will be affected by pollution due increase in traffic & high density population. The high density also increases the traffic in the area. It also increases crime in that area. Our women & children want to live in fear free world. We have every right to live in peacefully. We thank our Richmond Hill Mayor & Councilors to allow us live peacefully. Now we fear that high-rise condo towers disturb the importance of maintaining peace around our Richmond. I hope the Mayor & the councilors understand our feelings to stop this high-rise condo building & prove Richmond Hill is one of the safest cities in Ontario

Thank You
