Dear Mayor & Councilors

I am Richmond Hill Hindu Temple Devotee. I am opposed to the condo high rise building at 0 Elgin Mills road east (Bayview ave & Elgin mills). Our Temple Towers were architecturally designed in accordance with Hindu scripture & the spiritual significance of the Towers great height to the practicing the Hindu faith. The north east portion of the property contains wetlands and natural heritage system associated with a tributary of Rough River will be affected by pollution due increase in traffic & high density population. The high density also increases the traffic in the area. It also increases the crime on that area. Hindu woman & children wear jewelry during the festival times to the Temple & that is our tradition. Richmond Hill Hindu Temple is the largest Temple in North America. We thank to our Richmond Hill Mayor & Councilors to allow practicing our religion. Now we fear that high-rise condo tower disturb the importance of maintain peace around the Temple. Most of the Hindus fear if the High-rise condo builds higher than our Temple Tower which is against our belief. We also fear our children & grand children not going to practice our religion in the same manner that we practice our religion. I hope the Mayor & the councilors understand our feelings to stop this high-rise condo building & prove Richmond Hill is one of the multi cultural societies & allow us to practice the religion according to our belief.

Thank You

Maha Ketheswaran
