Dear Sir/ Madam

Development on the North East corner of Elgin Mills Road and Bayview Avenue in Richmond Hill.

We live in Richmond Hill at 368 Crosby Avenue L4C 2R7 and are regular visitors the Hindu Temple at 10865 Bayview Avenue. We are most disappointed and thoroughly disgusted at the proposed development at the above location. On several occasions when we approached the town of Richmond Hill and inquired about the possibility of securing the above parcel of land for further expansion of the temple, they gave us a cold shoulder and rebuked the idea, thereby discouraging us to buy that land as no development will be permitted.

All of a sudden, we find that a developer has purchased the land and is planning to build high density dwellings with full blessings of the City. We as a Hindu community want to show our displeasure at the above proposal, especially after it was not allowed for us, the neighbors. We will do everything in our power to stop the above development.

We hope that the City will re-consider the proposal and deny permission for high-density high-rise development.

Thanks

Victor. T. Vignarajah
