10. Presentations

10.1 Presentation by Darlene Joslin, Acting Commissioner of Community Services, regarding COVID-19 Stage 2 Re-opening Plans for the Community Services Department

Darlene Joslin, Acting Commissioner of Community Services, made a presentation regarding COVID-19 Stage 2 Re-opening Plans for the Community Services Department. Ms. Joslin began by acknowledging the efforts of Community Services staff during the pandemic. She advised that the Government of Ontario had approved the Region of York Stage 2 re-opening, effective June 19, 2020, and outlined the Community Services approach to re-opening. Ms. Joslin described the re-opening approach with respect to park amenities, including splash pads, sports fields for

training, park spaces for small gatherings and park spaces for wedding services. She provided an overview of three summer experience options being offered in July, noting that staff recommended that traditional in-person summer day camp programs not be implemented in 2020. Ms. Joslin also outlined the approach to re-opening indoor pools, noted the facilities and amenities that remained closed in Stage 2, and advised that preparations were underway in advance of Stage 3 reopening.

10.2 Presentation by Sherry Adams, Acting Commissioner of Corporate and Financial Services, regarding the City's Succession Planning Process

Sherry Adams, Acting Commissioner of Corporate and Financial Services made a presentation regarding the City's Succession Planning Process. Ms. Adams thanked the Talent Management and Organizational Development team for their work in pulling the program together. She outlined the purpose and importance of succession planning, and Richmond Hill's succession planning process, with respect to current assessment tools, talent calibration meetings and development plans. Ms. Adams highlighted the importance of evaluating future potential of staff and differentiating between high performers and high potentials. She also detailed the City's two phases of succession planning, which focused on senior level positions in Phase 1 and management levels in Phase 2.

Moved by: Councillor Cilevitz
 Seconded by: Councillor West

a) That the presentation by Sherry Adams, Acting Commissioner of Corporate and Financial Services, regarding the City's Succession Planning Process be received with thanks.

Carried Unanimously

10.3 Presentation by Meeta Gandhi, Director of Strategy, Innovation and Engagement, regarding Richmond Hill Support for Outdoor Patios

Meeta Gandhi, Director of Strategy, Innovation and Engagement, made a presentation regarding Richmond Hill's support for outdoor patios. She advised of the Province's announcement regarding Stage 2 businesses that were permitted to re-open beginning June 19, 2020, and specifically highlighted that it included dining in outdoor areas and extending or creating new patios and outdoor sales. Ms. Gandhi shared Richmond Hill's approach to support businesses and outlined the two-staged approach. She summarized the guidelines in place with respect to patios

and outdoor sales until Council approves a Temporary Use By-law, and outlined the process applicants were to follow to request new or expanded patios. Ms. Gandhi described the purpose of the Temporary Use By-law, and the statutory requirements that needed to be followed prior to the enactment of the by-law.

Moved by: Councillor Chan
Seconded by: Councillor Muench

a) That the presentation by Meeta Gandhi, Director of Strategy, Innovation and Engagement, regarding Richmond Hill Support for Outdoor Patios be received with thanks.

Carried

11. Delegations

11.1 **Gabriel DiMartino, Armland Group, regarding Assignment of Municipal Servicing Allocation submitted by Parkgate Holdings Inc. for 11211 Bayview Avenue - (refer to Item 12.2)**

Gabriel DiMartino, Armland Group, agent for the applicant, addressed Council regarding the request for assignment of municipal servicing allocation submitted by Parkgate Holdings Inc. for 11211 Bayview Avenue. He advised that he was in full agreement with staff's recommendations and respectfully requested that Council approve the recommendations put forward in the staff report. Mr. DiMartino noted the benefits of the assignment of additional municipal allocation, which included the elimination of temporary infrastructure and throwaway costs, minimized construction-related impacts and logistical issues with future homeowners, and the resulting efficiency in the delivery of municipal services. He noted that it will accelerate the build out of the subdivision, assist in the development of the North Leslie community, will provide for additional housing units to the market, and noted that it would align with Provincial and Municipal polices.

11.2 **Dominik Matusik, WND Associates Ltd., regarding Zoning By-law Amendment Application submitted by Feridon Rasti-Aval for 110 Major Mackenzie Drive East - (refer to Item 12.3)**

Dominik Matusik, WND Associates Ltd, planning consultant for the applicant, addressed Council regarding the Zoning By-law Amendment application submitted by Feridon Rasti-Aval for 110 Major Mackenzie Drive East. He provided an overview of the development application, and

advised that it was a product of years of discussion with staff to achieve a built form that met the goals of the Local Mixed-use Corridor OP designation. He advised that based on discussions with staff, the proposed parking ratio had increased since the original proposal, as well as the side-yard set back, which had been identified by staff as areas of concern. He noted that the proposal adhered to Provincial, Regional and City planning documents, and that it was well below the permitted maximum heights and densities for the Local Mixed-Use designation and met the parking requirement of the zoning by-law. Mr. Matusik concluded by advising that there was a concurrent site plan being processed by City staff, and that it was anticipated that all outstanding technical comments would be addressed in the next couple of weeks.

Carried

14.2 An emergency matter related to a Members Motion of Councillor Liu regarding mandatory face coverings at all municipal buildings and inside commercial establishments

Moved by: Councillor Liu
Seconded by: Regional and Local Councillor Perrelli

Whereas Health Canada, the Centers for Disease Control and Prevention, and the World Health Organization all recommend the use of masks when physical distancing is difficult, particularly in places like stores and on public transportation;

Whereas at her press conference on May 20, 2020, Canada's Chief Public Health Officer emphasized that mandatory masking was a decision for communities;

Whereas studies show that high levels of mask use can help avoid a second wave of infections and a resulting second lockdown that would harm local businesses and our local economy;

Whereas most municipalities across Canada have broad powers to pass by-laws in relation to health, safety, and well-being. Many also have broad powers to make orders under emergency management legislation;

Whereas Section 4(1) of the Emergency Management and Civil Protection Act gives the head of council the ability to make orders they consider necessary to protect the health, safety, and welfare of their residents;

Whereas masks were first recommended by Canada's Chief Public Health Officer on April 6, 2020, but usage of masks remains low and it is now evident that recommendations are insufficient;

Whereas the City of Cote St Luc, Quebec passed a by-law on June 1, 2020, relying on its general health and welfare powers in its enabling municipal legislation;

Whereas the Wellington-Dufferin-Guelph Public Health issued an order requiring the use of masks in commercial establishments effective June 12, 2020;

Whereas masks are now mandatory on a number of transit systems in Ontario and across Canada;

Whereas Ottawa's recent masks order for public transportation shows compliance of roughly 90%, Guelph's recent masks order shows compliance in the 90-100% range, and, while both have the power to issue fines, neither use enforcement mechanisms and simply rely on education;

Whereas studies show that masks can reduce transmission of COVID-19 but only if a significantly high percentage of our population wears them;

Whereas evidence of mask use around the world shows that high usage of masks can likely only be achieved where masks are already an existing cultural norm or through mandatory masking;

Whereas enforcement concerns around masking are largely unfounded and that laws can play a powerful role in communicating values and creating social norms such that the existence of a by-law alone can increase usage;

Whereas multiple studies show that the use of masks do not distract from physical distancing, rather, masks act as a visible social device to enhance physical distancing;

Whereas matters of public health in the midst of a pandemic impact everyone in our community and should not be left to the discretion of private business or personal choice;

Whereas employees have a right to work in a safe environment and customers should be able to enter a business without unnecessarily increasing their risk of exposure to COVID-19;

Whereas information and case studies are available at www.masksformunicipalities.ca

Therefore be it resolved that the City of Richmond Hill staff to research our municipality's ability to mandate face coverings at all municipal buildings and inside commercial establishments;

Be it further resolved that City of Richmond Hill staff consult the City of Cote St-Luc's By-law No. 2557 and draft a similar by-law to mandate face coverings at all municipal buildings and inside commercial establishments;

Be it further resolved that a copy of this resolution be forwarded to the York Regional Council, Council of other eight municipalities in York Region, local Members of Provincial Parliament, local Members of Parliament, Association of Municipality of Ontario and the Federation of Canadian Municipalities.

A recorded vote was taken:

In favour: (8): Councillor Liu, Councillor Beros, Regional and Local Councillor Perrelli, Councillor Chan, Councillor Cilevitz, Councillor West, Mayor Barrow, Councillor Muench

Opposed: (1): Regional and Local Councillor DiPaola

Carried (8 to 1)
