**Subject:** Opposing Sabella Ridge Estates Development on 10684 and 10692 Yonge Street (City Files D01-20004 & D02-20010)

Dear David and all city members,

I am writing to express our great concerns about the new apartment building proposal by Sabella Ridge Estates (File Numbers D01-20004 and D02-20010). I and my family live at 80 Arten Ave, and I am sure by now you must have received emails from my other neighbors expressing the same concerns we all share. Please David, Linda, Doris, and Richmond Hill clerks, listen to the call outs from our community, and help us in fighting this opposition I have 5 children and the youngest was just born last night, my oldest daughter is only 4. My children have many years to grow safely and happily in this beautiful environment, and I am willing to do anything just protect that for my kids! I do not want to worry about the safety of my children playing in front of my house, or going to the parks, or visiting cousins down the street! We want to keep our community and homes safe, quiet, neat, peaceful, and beautiful. We urge you to stop Sabella Ridge Estates' attempt to bring up that building to our community!

Thank you for your attention, and please do not hesitate to reach me if you have any questions.

Jadden Xue, Xiu Qin Xue, and our five beautiful children
