(City File No: D01-20006)**

Urban Growth Inc. is the authorized planning consultant for Carefirst Seniors & Community Services Association (CAREFIRST), being the registered owner of the lands at 9893 Leslie Street, Richmond Hill.

We have reviewed the Final Staff Report dated September 23, 2020, for the above noted City-Initiated Official Plan Amendment 18.2, for the Leslie Street Institutional Area. We are supportive of the staff recommendations, and have reviewed the final draft of the proposed Amendment.

Carefirst reiterates their support for this proposed Official Plan Amendment, and looks forward to continue working with City staff and Council on this important initiative, and the successful completion of the project.

Yours truly,
Urban Growth Inc.
