

Richmond Hill is Rich with Culture!

Richmond Hill Celebrates Culture Days
September 25-October 25, 2020

Culture Days is a national festival developed to raise awareness about the importance of arts and culture in communities across Canada. During this month long event - September 25 to October 25 – artists and arts organizations across Canada offer **free and participatory activities** to engage the public in a cultural activity. The national celebration seeks to eliminate barriers to access and participation and encourage appreciation of arts and culture.

Each year, Richmond Hill welcomes back Culture Days and invites the community to participate in “behind the scenes,” activities to discover the world of artists, creators, historians, architects, curators, and designers at work. In 2019 eighteen free and interactive activities were offered to the community across Richmond Hill. Activity locations vary from year-to-year but typically take place at the Richmond Hill Central Library, the Richmond Hill Centre for the Performing Arts, the Mill Pond Gallery and more.
